Price: **Free**

Hello! I am Carissa Schultz, a student in the dental hygiene program at WCTC in Waukesha. I am currently looking for patients that have not gotten a dental cleaning in MULTIPLE YEARS, the longer the better! I need to find certain patients to complete requirements for my program.

Your visit will include in-depth exams with an oral cancer screening, x-rays, cleaning, and fluoride. All of the steps along the way are checked by a Dentist and Registered Dental Hygienists. You get all of this amazing care for \$20! No insurance required!

My availability is Monday from 12:30-4:30pm and Wednesdays from 8:00am-12:00pm. Each appointment is 4 hours in length and some patients will need additional appointments depending on the condition of oral health. Please keep in mind that we are students and that it takes time to get checked by the instructors.

If you are interested or know someone who would be, please personal message me for more information! If you are not interested, I ask that you share this post and get the word out! I would appreciate any help that you can give me!

(WCTC has protocols in place for COVID-19, following the CDC guidelines)
