Turn the full-size Dyson Ball DC25 Multi Floor Bagless Upright Vacuum Cleaner with the flick of a wrist thanks to Ball technology designed for smooth steering. Root Cyclone technology delivers powerful suction, and the Quick-draw Telescope Reach wand and 2 attachments help you clean hard-to-reach spots. Clear bin design makes emptying the vacuum easy and eliminates the hassle of bags, while the switch-off brush bar provides effective cleaning on carpeted and hard floor.

Hardly used, great condition
